

HOW KENYAN BUSINESSES SAVE CASH WITH VEHICLE LEASING

BUYING VS. LEASING

PRESERVES YOUR CAPITAL

Avoid locking millions in depreciating vehicles and keep your cash working in profit-generating areas.

100% TAX DEDUCTIBLE

Deducts your full monthly lease payments as an operational expense to directly lower corporate tax bills.

CLEAN CREDIT LINES

Keeps major vehicle debt off your balance sheet so your borrowing power stays intact for core growth projects.

ZERO MAINTENANCE SURPRISES

Eliminates unexpected repair bills with complete servicing, insurance, and repairs covered by Ryce.

HASSLE-FREE UPGRADES

Avoids secondhand resale headaches, simply return the keys at the end of the term and step into a new fleet.
